teel there is any doubt with regard to its origination in an overt publication,
please itemize your misgivings, using page and line references in the manner
employed in thecritiques.
5. SR Division is naturally interested in obtaining information relating
to our appraisal of this report, should it develop there are any gems in it
which would indicate a possible penetration in the U. S. community. At the
same time SR is aware that because of clearance restrictions they may not
receive a copy of your report. As one final point, please contact
to obtain the proper printed letterhead upon which the paper should be written
for the Director. This is similar to that used in the body of the report and is
available through in desired quantities on
In view of the deadline, I should like to ask you to see if we could
not have a preliminary draft in hand by Friday of this week. If this is too
short a time, I will see if we cannot get the deadline extended, but please let
me know at once if this is the case.
